19 Material witnesses (hereafter "Material Witnesses") by and through his counsel, Wayne
20 C. Mayer, submits the following Memorandum of Points and Authorities in support of his
21 motion for a court order to take the Material Witnesses' videotaped deposition.

22 **I.**

23 **INTRODUCTION**

24 On or about June 20, 2008, the material witnesses were detained by the United States
25 Border Patrol in connection with the arrest of defendants in the above-entitled case. The
defendants were charged with intent to violate the immigration laws of the United States,

1 knowing and in reckless disregard of the fact that aliens had come to, entered and remained in
2 the United States in violation of law, did transport and move said aliens within the United States
3 in furtherance of such violation of law, in violation of Title 8 U.S.C. sec. 1324 (a)(1)(A)(ii).

4 Agent BPA Snyder was assigned to S-2 fully operational Border Patrol checkpoint which
5 is located at mile marker 51 on Imperial Highway. At approximately 10:00 p.m., a vehicle
6 approached the checkpoint with defendant MIRZA ALVAREZ ESTRADA as the driver of the
7 vehicle and JORGE CAMACHO ANZURES as the only visible right front passenger.

8 Agent Snyder questioned the driver ALVAREZ ESTRADA as to her citizenship in the
9 English language and she did not respond. The questions were repeated in the Spanish language
10 and she stuttered and hesitated to answer the agent's questions and kept looking over to the
11 individual in the passenger side.

12 During the questioning BPA Burrueal approached the passenger side of the vehicle and
13 observed two individuals trying to conceal themselves with a blue tarp in the back of the vehicle.
14 BPA Snyder told the driver ALVAREZ ESTRADA to turn off the vehicle and to step out of the
15 vehicle along with the rest of the individuals.

16 All five passengers in the vehicle admitted to being citizens of Mexico illegally in the
17 United States. The driver MIRZA ALVAREZ ESTRADA admitted to being a citizen of
18 Guatemala. The individuals were placed under arrest.

19 The right front passenger was identified as JORGE CAMACHO ANZURES. He was
20 subsequently advised of his rights per Miranda which he acknowledged he understood and
21 waived. He admitted he entered the country illegally approximately 20 years ago by walking
22 through the mountains near San Diego, California. CAMACHO admitted he made arrangements
23 on this occasion to pick up four people at a casino, he admitted he knew they were illegal aliens
24 and that he was to receive a fee for transporting them. CAMACHO stated that he was going to
25

1 transport the illegal aliens to Oceanside, California and that payment for transporting them (the
2 illegal aliens) was to be negotiated.

3 The Material Witnesses were attempting to hide under a blue tarp in the back of the
4 SUV. They (the four individuals) were removed from the SUV. Four of the passengers in the
5 rear of the SUV were determined to be illegal aliens without legal right to enter or remain in the
6 United States. Three of the four individuals were detained as material witnesses who are the
7 moving parties herein.

8 None of the material witnesses are out of custody, having been released on a material
9 witness bonds. All remain detained pending trial of the underlying matter. The witnesses have
10 no one in the United States who can assist them in making or posting bonds and therefore they
11 remain in custody pending a resolution of this matter or a video deposition. One of the material
12 witnesses indentified as JOB RODRIGUEZ RAMIREZ did post a material witness bond but
13 could not be released from custody due to prior contacts with immigration officials. As a result,
14 the posted bond was subsequently exonerated and he was placed back into Marshall's custody.

15 The material witnesses and defendants were transported to the Border Patrol station, read
16 their Miranda rights, stated they understood their rights and were willing to make statements
17 about the offense without an attorney being present.

18 Material witnesses JOB RODRIGUEZ RAMIREZ stated a family member made
19 arrangements for him to be smuggled into the United States and would take care of payment. He
20 identified the defendant MIRZA ALVAREZ ESTRADA as their driver. MIRZA ALVAREZ
21 ESTRADA was detained for prosecution of the defendants.

22 JOB RODRIGUEZ RAMIREZ indicates to me that he has family in Mexico who needs
23 his attention and support.
24
25

1 VICTOR PEREZ CHAVEZ indicates he made arrangements to be smuggled into the
2 United States for \$2000.00. After entering the United States he made a telephone call to a
3 woman to be picked up. After making the telephone call, the defendant MIRZA ALVAREZ
4 ESTRADA arrived and she told the witnesses to get into the vehicle.

5 ERASMO MALDENADO RIOS indicates he made arrangements to be smuggled into
6 the United States for \$2000.00. An individual from the group made a telephone call to be
7 picked up after which the defendant MIRZA ALVAREZ ESTRADA arrived driving the SUV
8 and defendant JORGE CAMACHO ANZURES was the right front passenger. MALDENADO
9 was told by the passenger to get into the vehicle.
10

11 It is unnecessary to keep the Material Witnesses in custody because their testimony can
12 be preserved through the use of a videotape deposition. The Material Witnesses therefore
13 request a court order that testimony of the Material Witnesses be preserved through the use of
14 videotape deposition and, thereafter, that the material witnesses be allowed to return to their
15 country of origin.
16

17 II.

18 THE TESTIMONY OF THE MATERIAL WITNESS CAN BE 19 SECURED BY VIDEOTAPE DEPOSITION AND THERE IS NO 20 COMPELLING REASON TO KEEP THEM IN THIS COUNTRY

21 Section 3144 of Title 18 of the United States Code provides:

22 No material witness may be detained...if the testimony of such witness can adequately be
23 secured by deposition, and if further detention is not necessary to prevent a failure of
justice.

24 A material witness may request that his deposition be taken and that he be released at the
25 conclusion of the deposition. [Federal Rules Crim. P. 15(a)]. Where the material witness'

1 motion demonstrates his testimony "can be adequately secured by deposition" and that "further
 2 detention is not necessary to prevent a failure of justice" the court *must* order his deposition and
 3 prompt release.¹ Torres-Ruiz v. United States 120 F.3d 933, 935 (9th Cir. 1997) [citing Aguilar-
 4 Ayala v. Ruiz 973 F.2d 411, 413 (5th Cir. 1992)]. See also, 8 U.S.C. sec. 1324(d), Federal Rules
 5 of Evidence 804, and Federal Rules of Criminal Procedure 15.

6 1. The Material Witness' Testimony Can Be Adequately Secured By Deposition

7 The Material Witnesses should not be detained because their testimony can be adequately
 8 secured by deposition. This is a routine alien smuggling case. Based on interviews with the
 9 Material Witnesses and the report submitted by the arresting agency, the facts to which the
 10 Material Witnesses are competent to testify are straightforward. (see Mayer Declaration at para.
 11 2-7). The witnesses RODRIGUEZ and MALDENADO each can identify the driver of the SUV
 12 (see Mayer Declaration at para. 17-19) and the right front passenger. Moreover, the
 13 Government's case does not depend on the testimony of the Material Witnesses alone. Law
 14 enforcement agents identify the driver and right front passenger of the vehicle as it approached
 15 the checkpoint. Neither the Material Witnesses nor their counsel have been informed by either
 16 the government or defense attorneys of any reason why the material witnesses testimony cannot
 17 be adequately secured by deposition. (see Mayer Declaration Para. 30).

18 2. Further Detention of the Material Witness Is Not Necessary To Prevent a Failure of
 19 Justice

20 Deposition of material witness may be used at trial in criminal cases, so it is only in
 21 *exceptional circumstances*, where the interests of justice will be denied, that a videotape
 22
 23
 24

25 ¹ While a witness may be detained for a reasonable period of time, the court must vigilantly guard an undocumented alien's "overriding liberty interest" and schedule a videotape deposition at the earliest possible time. See, Aguilar-

deposition is not appropriate. See Torres-Ruiz v. United States 120 F.3d at 936 (9th Cir. 1997); 8 U.S.C. sec. 1324(d), Federal Rules of Evidence 804, and Federal Rules of Criminal Procedure 15.

Defendants may be present at the videotape deposition and therefore have a full and fair opportunity to confront and cross-examine the witness. The videotape provides sufficient indicia of reliability to afford the trier of fact a satisfactory basis for evaluating the truth of a statement. Dutton v. Evans 400 U.S. 89 (1970).

The government or defendant can effectuate the detention of a material witness upon a showing that (1) the material witness will, in all likelihood, be unavailable to testify for trial, and (2) that the use of deposition testimony will deny the defendant a fair trial and that live testimony would somehow be significantly different. See Aguilar-Ayala v. Ruiz 973 F.2d 413 (5th Cir. 1992), United States v. Humberto-Rivera 859 F.2d 1204, 1208 (4th Cir. 1988). That would be a difficult burden in this case because the Material Witnesses has indicated they will voluntarily return for trial. (see Mayer Declaration at para. 33)²

Neither the Material Witness nor his counsel has been informed by either the government or defense attorney(s) of any reason why detention is necessary to prevent a failure of justice. (see Mayer Declaration at para. 32)

For these reasons, the Material Witnesses request that the Court immediately ORDER the taking of their videotape deposition, and thereafter that they be immediately returned to their country of origin.

Ayala v. Ruiz, 973 F.2d 411, 419 (5th Cir.1992).USDCT not and mo video

² The government would undoubtedly take reasonable steps to secure the witness's testimony at trial by personally subpoenaing the witness, providing travel costs, and arranging for legal re-entry of the alien (See United States v. Eufracio-Torres 890 F.2d 266, 270).

25 she understood her rights and did not wish to waive them or make a statement;

1 13. The three material witnesses who were detained, and are the subject of this motion, were
2 removed from the SUV driven by defendant ALVAREZ.

3 14. The material witnesses and defendants were transported to the Border Patrol station, read

13 17. RODRIGUEZ indicated his family made the smuggling arrangements and agreed to pay a

15 CAMACHO was the right front passenger. Further, that the lady ALVAREZ told him to
16 get in the vehicle;

17 18. VICTOR PEREZ CHAVEZ indicated he made the smuggling arrangements and was to
18 pay \$2000 to be smuggling within the United States;

3 in custody until the defendant pleads guilty or his testimony is preserved by a video
4 deposition;
- 5 23. I have made a diligent search to locate friends or family in the United States who could
6 assist the material witnesses;
- 7 24. I have called and spoken with family and/or friends of each of the material witnesses
8 both here in the United States and in Mexico in an effort to locate a relative or friend in
9 the United States who could be of assistance to the material witness and have not been
10 able to locate a possible surety;
- 11 25. A complaint charging the defendants with smuggling illegal aliens was filed June 23,
12 2008;
- 13 26. The defendants were thereafter indicted and the defendants arraigned on the indictment
14 in this case and is now set for motions in U. S. District Court for the Southern District of
15 California August 15, 2008;

17 United States in search of employment in order to support their needy families that
18 remained behind in Mexico and they needed to work to support their families;
- 19 28. The facts to which the material witnesses would testify are straight forward; they were in
20 a vehicle driven by defendant ALVAREZ who was assisted by defendant CAMACHO,
21 both of whom were observed in these roles by United States Border Patrol agent;.
- 22 29. The defendant ALVAREZ did not make any statement. Defendant CAMACHO made a
23 statement and confessed to making arrangements to pickup the material witnesses and
24
25

1 transport them to Oceanside, CA for a fee. Defendant CAMACHO indicated to the
2 agents that defendant ALVAREZ did not know the material witnesses were illegal or
3 knowingly participate in the illegal enterprise in an effort to circumvent immigration
4 laws;

5 30. I have not been advised by either government or defense counsel of any reasons why the
6 witnesses' testimony cannot be adequately secured by deposition;

7 31. Law Enforcement officials arresting the defendants can independently identify the
8 defendants as the driver and right front passenger of the smuggling vehicle;

9 32. I have not been advised by either government or defense counsel of any reason why a
10 detention is necessary to prevent a failure of justice;

11 33. Each of the material witnesses indicate to me they would return to this court for trial;

12 34. The parties have not been able to negotiate a resolution of this matter or stipulate to a
13 date for a video deposition in order to facilitate the release of the material witnesses and
14 their return to their country of origin and I believe that because of the relationship of the
15 various parties this case is likely to proceed to trial;

16 I make this declaration under penalty of perjury and the laws of the United States of America
17 and California.
